

## BE COLLECTIVE

The Bendigo Volunteer Resource Centre (BVRC) provides vital links for promoting, facilitating, supporting and connecting volunteers and Volunteering Involving Organisations across Central Victoria.

***Be Collective*** is about connecting communities through innovative technology, inspiring goodwill and creating positive social change. It provides an integrated, networked hub for exchanging people's time, skills, knowledge, resources and financial support to channel where it matters most.

- ***Be Collective is a digital platform for volunteer action.***

It delivers a 'step change' in value for individuals and groups wanting to contribute to the communities and causes they care about.

- ***Be Collective enhances volunteer management.***

It has tools that streamline processes, encourage participation and bring rigour and accountability.

- ***Be Collective provides a verified social record.***

It highlights volunteer efforts, reinforces soft skill development and creates pathways to employment.

The ***Be Collective*** platform for BVRC is now live and will be rolled out to partnering organisations in the first half of 2019.
